

# LINDA MUTTI

## DEMO & HALF-DAY WORKSHOP

**LOCAL GAL MAKES GOOD ART!** Central Coast artist Linda Mutti is a highly accomplished pastelist whose many awards include Master Circle, Distinguished Pastelist, and Associate of Distinction Member of American pastel societies. Her paintings are held in collections across the United States, Canada, Australia and Europe.

Even better, she's coming here to show you how it's done!

*My workshop is landscape based but can be applied to other genres. My focus is on using a very loose watercolor underpainting as a base for applications of pastel on top. My passion is infusing light into the landscape by the use of broken color, accurate value structure, the use of a variety of edges and a variety of mark making. There are no formulas on how to paint but rather a more general understanding of the effect of light and atmosphere and how to know where one's photo reference is not accurate. – Linda Mutti.*
